## CREDENZA SCREEN

DESIGN BY  
Patricia Urquiola  
+ Federico Pepe

Screen produced in lacquered metal and stained glass. The pattern recalls a pyramid under the sun, where the "spines" are rays of light. The screen is part a capsule collection inspired by the windows of holy sites as the ones created by Gerhard Richter for Cologne's Cathedral.

Limited edition.  
Made in Italy.

MATERIALS  
Metal and mouth-blown  
stained glass

SIZE  
L127 x W45 x H167 cm

PRODUCT CODE  
CR2050

Public price upon request.
